

IS YOUR FIRM ENGAGING AND FOSTERING

Emerging Professionals?

Does your firm support the Emerging Professional in the following ways:

- Supporting Architectural Licensure (AXP)
- Leadership/Professional Development opportunities
- Support for work/life balance and fair compensation
- Equity, Diversity and Inclusion - providing an inclusive and diverse culture

2018 EPiC Firm, KSS Architects, pictured constructing their Park(ing) Day installation, "The Sidewalk Shroud"

Why EPiC Firm Designation is important

- Stand out from others
- Emerging professions look to EPiC Firm recognition when applying for jobs
- Recruit the best new talent
- Mentor Emerging Professionals to advance architecture

How to Apply - Apply Annually

- Learn more about the survey at the QR code or go to aiapa.org/epic-firms
- Have your emerging professional complete the EPiC Firm survey by the end of September.
- Have your firm principal complete the survey by the end of October.
